If teachers/dancers would not like their item(s) to be recorded they can email us before hand so that those items will not be recorded.

9. MUSIC AND MOVEMENTS

Items with music that contain harsh or strong language will not be tolerated and performances must be free of vulgar and provocative movements.

Music must be send via drop box where we will collect it and place it in our system. Teachers must still bring a memory stick with all their music on as a backup for if a problem occurs. Drop box instructions will be sent via email closer to the time.

10. AGE GROUPS

- 5 and under
- 8 and under
- 12 and under
- 15 and under
- 16 and over
- Any Age

Please make sure the dancer is entered under the correct age groups. Our system will be asking for an ID number and will warn the teacher/dancer that the age do not match the ID number. When entering duos, trios, groups, formations and productions make sure they all fall under the age groups as set above. If the age gab is to big please enter under "any age" for the system will not except mixed ages.

11. STATUS (For solos, duets, trio's, quartets/groups & formations)

- Teachers should use their own discretion as to where they should enter a child: this includes new studios participating for the first time in Artisticulta Festival.
- Dancers are allowed to dance two years in a status. The system archives (remember) all entries. After two years the system will warn the teacher that the dancer must move up a status. We find that some teachers for example keep dancers in the beginner section for 3 years which is unfair to the dancer and unfair towards the other dancers dancing against her/him in that section.
- Teachers are also not allowed to mix statuses. The same dancer for example cannot dance beginner in her solo and pre-amateur in the group and novice in her duet. When entering a dancer choose one status that the dancer will participate in. Our system will also warn the teacher/dancer, and will not except the entry.
- **Please note that we don't have a quartet section only duets and trios. A quartet will be seen as a group.**

Beginner	1 year dance training
Novice	2 - 3 year dance training
Amateur	Received A in Novice section
Championships	Received A in Amateur section
Professional	Professional dancer that takes part in the festival
Dance Teacher	Teachers may enter in solos, duets, trios, quartets/groups & formations. Status: Amateur or higher

- ❖ **Please note that dancers are not allowed to enter twice under the same category**
- ❖ **Only beginners are allowed to do a studio set solo which is worked out by the teacher**
- ❖ **Attached are the section codes.**
- ❖ *Example: Hanri Nel - 12 and under, Amateur, Modern Solo = 12 MSA (section code)*
